Thank you for responding even [REDACTED] You were the confirmatory analyst on this case and one of the drugs was heroin. Could anyone else testify to your determination?

Thank you,  
Ingrid

Hello Ms. Corbett,

I am attaching a summons for a trial at the Dorchester Court on 10/14/09. The lab numbers are [REDACTED] I would like you to be on call that day since the defendant has expressed an interest in taking a plea (there is no school zone violation, so we don't have much leverage). Is there a good number to reach you in case we do need you?

Thank you very much for your time,
